

JT3800SH

GE® 30" Built-In Combination Microwave Wall Oven

DIMENSIONS AND INSTALLATION INFORMATION

NOTE: Cabinets installed adjacent to wall ovens must have an adhesion spec of at least a 194°F temperature rating.

INSTALLATION INFORMATION:

Before installing, consult installation instructions packed with product for current dimensional data.

Door handle protrudes 3" from door face. Cabinets and drawers on adjacent 45° and 90° walls should be placed to avoid interference with the handle.

Electric wall ovens are not approved for installation with a plug and receptacle. They must be hard wired in accordance with installation instructions.

NOTE: These ovens are not approved for stackable or side-by-side installations.
