Pretty Woman
Majestic Theatre

2 hours 30 minutes

Jan 10-15, 2023

PRETTY WOMAN: THE MUSICAL, based on one of Hollywood's most beloved romantic stories of all time, springs to life with a powerhouse creative team led by two-time Tony Award®-winning director and choreographer Jerry Mitchell (*Hairspray*, *Kinky Boots*, *Legally Blonde*). *Pretty Woman* is a modern retelling of the Cinderella story. Vivian, a Hollywood prostitute is picked up on the street by Edward Lewis, a tough but lonely business mogul. Employed as his companion, Vivian is immersed into the elite Beverly Hill society, but she soon realizes that she is a fish out of water. She wants to make something of her life, but she must be true to herself along the way. During a week of romance, both Vivian and Edward embark on a journey of self-discovery and discover true love along the way. Edward is softened and transformed by Vivian's joy of life and he comes to realize that he must change his priorities if he wants to hold on to what matters most. He rediscovers his moral compass and drops his brutal business methods, much to his money-grabbing lawyer's chagrin. Edward and Vivian's love transcends social divides, and this independent Cinderella gets her Prince.

To Kill a Mockingbird Majestic Theatre

May 2-7, 2023

All rise for Academy Award® winner Aaron Sorkin's adaptation of Harper Lee's Pulitzer Prize-winning masterwork. **Harper Lee's To Kill A Mockingbird** is "the most successful American play in Broadway history." (60 Minutes). New York Magazine calls it "a real phenomenon. Majestic and incandescent, it's filled with breath and nuance and soul." With direction by Tony Award® winner Bartlett Sher, **Harper Lee's To Kill A Mockingbird** — "the greatest novel of all time" (Chicago Tribune) — has quickly become "one of the greatest plays in history" (NPR). Emmy Award® Winning actor Richard Thomas will play the role of Atticus Finch in the National Tour. **"An emotionally shattering landmark production of an American classic,"** — Rolling Stone. It's 1935, and racial tensions are high in Maycomb, Alabama. Nonetheless, young Jean Louise Finch -- or Scout, as she is fondly called -- manages to live a rather carefree, privileged existence, insulated from issues of race.

All that changes when Scout watches her father, Atticus Finch, defend an innocent man, Tom Robinson, against a potential death sentence, which looms threateningly against him because of prejudice due to race. Scout begins to realize that just because society portrays something as being true doesn't mean that it actually is fact. **Study Guide Available.**
