HP ZBook Firefly 14 inch G9 Mobile Workstation PC

Step up performance. Not size.

Pro-level performance combines with true mobility in this amazingly sleek and powerful laptop. Stay productive wherever you're working with prograde graphics and processor, Alenhancing webcam and audio, and a color-accurate display—everything you need to collaborate and manage projects anywhere.

*Product image may differ from actual product

Upgrade to pro-level performance

Say goodbye to lags and crashes with faster responsiveness on projects. With up to Intel® Core™ i7 processors,¹ NVIDIA® T550 Laptop GPU² and up to 64GB of memory,³ open large files and run pro apps simultaneously for speedy multitasking and productivity.

Work all day. Anywhere.

• Starting at 3.25 lbs, 4 our most mobile ZBook is made to move. With up to 13-hours of battery life, 5 the sleek yet durable device is small enough to fit in your bag so you can stay productive anywhere. This is high performance workstation power on the go.

Connect. Communicate. Collaborate.

Collaborate effectively wherever you go with ZBook Firefly. The Al enhanced auto-framing 5MP camera,⁶ discrete audio amps to block background noises and next-gen Wi-Fi 6E^{7,8} or 5G⁹ options let you connect from any location with a more personal experience.

Immerse in your work

- The more you can see, the more you can do. The 16:10 HP DreamColor display² with 100% DCI-P3 shows more vertical content and delivers vivid, always accurate color and detail. Now with a 120Hz refresh rate get smooth motion for high-speed videos.
- Work anywhere without compromising on performance or security with Windows 11¹¹ powered by HP's collaboration and connectivity technology.
- Move around a little without losing viewers' attention during video calls with HP Auto Frame. ¹⁰ The camera and audio follow you or multiple presenters as they move within the camera's frame.
- Collaborate with confidence with advanced features like DNN Noise Suppression to suppress background noise for crisp, clear calls.
- $\bullet \quad \text{Blitz through multiple tasks and ditch external drives with up to 2 TB local NVMe storage} \\ ^{12,13}$
- $\bullet \;\;$ Power through projects with up to 64 GB RAM 14 for fast editing and design.
- Power through projects with up to NVIDIA® T550 Laptop GPU,² certified for pro-apps.
- Bring your ideas to live quickly and effectively with a 12th gen Intel[®] Core[™] processor.
- Get a fast and reliable connection in dense wireless environments with Wi-Fi 6E.⁸
- Connect almost anywhere with the ZBook Firefly with optional support for up to 5G wireless broadband technology with 4x4 antennas that can deliver fast download and upload speeds.⁹
- The more you can see, the more you can do. The 16:10 aspect ratio reduces the need to scroll by showing more vertical content than a 16:9 display. Now you can see more of your programs and apps you use every day.
- Eliminate the need to send yourself emails to move information between your devices. With the HP
 QuickDrop app, you can wirelessly transfer documents, photos, videos, and more between devices. 16
- Help protect our shared future with PCs that drive towards increasing sustainability.

HP ZBook Firefly 14 inch G9 Mobile Workstation PC

Accessories and services (not included)

HP Renew Business 14.1-inch Laptop Bag

Now you can feel good about the bag you use to protect your laptop. Designed to keep your laptop protected and accessories organized, the Renew Business 14.1-inch Laptop Bag uses environmentally-responsible materials that are durable, easy to clean and designed for comfort.

Product number: 3E5F9AA

¹ Tracking device not included.

² Lysol Disinfectant Spray Type C (EPA Registration No. 777-54-AA) can be used to clean the (HP product) up to 50 times. See Lysol's use instructions.

HP Wireless Rechargeable 950MK Mouse and Keyboard

Experience clutter-free productivity, simple, streamlined connectivity, and fast out-of-the-box HP Link-5 plug and play setup with the elegant HP Wireless Rechargeable 950MK Mouse and Keyboard.

Product number: 3M165AA

¹ Select household wipes can be safely used to clean HP Elite Presenter Mouse, HP Premium keyboard (wireless and USB) and HP desktop wired 320 KB/Mouse up to 1,000 wipes: See wipe manufacturer's instructions for disinfecting and the HP cleaning guide for HP tested wipe solutions at How to Sanitize Your HP Device Whitepaper.

HP Stereo USB Headset G2

Plug right in and get ready to speak and hear clearly all day. With noise-cancelling, comfortable design, and easy adjustment, your sound comfort will carry you from call to call without interference or frustration.

Product number: 428K6AA

¹ Google tested to meet Chromebook compatibility standards.

² This product works with devices capable of running the latest version of Chrome OS and has been certified to meet Google's compatibility standards. Google is not responsible for the operation of this product or its compliance with safety requirements. Chromebook and the Works With Chromebook badge are trademarks of Google LLC.

HP USB-C Travel Hub G2

Easily expand your laptop's connectivity when working on the go with HP USB-C Travel Hub G2.¹ Add an extra display² and your accessories, charge your laptop and phone—all with one USB-C™ cable connection.

Product number: 7PJ38AA

[1[] Supports multi-function USB-CTM (video, charging, and USB 3.1) and USB Type-CTM Thunderbolt-enabled ports.

Thinherbott-enabled ports.

2 Supports a single display up to 4960 x 2160 @30Hz (2 lane DP only via HDMI) or 1920 x 1200 @ 60Hz via VGA.

HP ZBook Firefly 14 inch G9 Mobile Workstation PC

Messaging Footnotes

- ¹ Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and broading is not a measurement of higher performance. Optional, configurable feature that must be configured at purchase.

 ² Optional, configurable feature that must be configured at purchase.

 ³ Up to 64GB memory is an optional feature that must be configured at purchase.

- July to 64GB memory is an optional feature that must be configured at purchase.
 Lowest weight. Weight will vary depending on the product model, configuration, loaded applications, features, use, wireless functionality and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See MobileMark1 8 battery benchmark https://bapco.com/products/mobilemark-2018/for additional details
 Optional feature that must be configured at purchase.
 Wi-FIGE is an optional feature that must be configured at purchase.
 Wi-FIGE is an optional feature that must be configured at purchase.
 Wi-FIGE router; sold separately, to function in the 6GHzband. Availability of public wireless access points limited. Wi-FIGE is backwards compatible with prior 802.11 specs. And available in countries where Wi-FIGE is supported.
 Som modules an optional feature that must be configured at purchase. AT 8T and T-Mobile networks supported in the U.S. Module designed for 5G networks as carriers deploy Evolved-Universal Terrestrial Radio Access New Radio Dual Connectivity (ENDC) with both 100Mhz of 5G NR and UTE channel bandwidth, using 25GQAM 4x4 as defined by 3GPP, requires activation and separately purchased service contract. Check with service provider for coverage and availability in your area. Connection, upload and download speeds will vary due to network, location, environment, network conditions, and other factors. SG not available on all products, in all regions. Backwards compatible to 4G LTE and 3G HSPA technologies. SG module planned to be available in select countries, where carrier supported.

 10 Requires the mylPP application and Windows OS.
 11 Not all features are available in all editions or versions of Windows. Systems may require upgraded and bor separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows is automatically updated and enabled. High speed internet and Microsoft account required. SP fees may apply and additional re
