- IR Remote Control with battery (1 x 3V battery, CR2025)
- User Manual x1 pc

## Safety Instructions

Please read and understand all instructions before using this product. If damage is caused by failure to follow the instructions, this warranty is null and void.

- Keep these instructions.
- Do not use this product for emergency lighting/exits
- Not for use with dimmers
- Not for use in totally enclosed luminaires
- Risk of electrical shock - use in dry location only
- Do not expose this product to open flames or use near fire
- Do not drop, puncture, or disassemble this product.
- Do not use the product in a strong magnetic field.
- Use a clean, soft cloth to clean. Do not use any corrosive cleaners/oils to clean.
- Do not attempt to repair the device or open the unit as this will void the warranty.

# Get Started

- 1 Turn off the light fixture and carefully remove the old bulb.  
**CAUTION:** If the fixture had been on, the bulb may be hot.
- 2 Install the LED Light Bulb into the light socket.
- 3 Remove the tab from the battery compartment of the remote control.
- 4 Turn on the light fixture. Your LED Bulb is now ready to use.
