TROY

M3001 MICR Printer

Ideal for businesses in need of a low-volume check printing solution. Efficiency is a primary focus with a first print out time of only seven seconds. Quickly use multiple media types with both a 250 sheet input tray and a 10 sheet priority tray.

hp OEM Partner

Full Standard Yield MICR Toner Secure™ Cartridge Included.

World's Most Fraud Resistant MICR Toner™ with patented anti-tamper technology that forces a bright red stain to appear, preventing check alteration.

- HP OEM (original)

- High Adhesion & Reliability

- Trusted by Major Banks

PATENTED ANTI-TAMPER TECHNOLOGY

Built For Small Teams
Ideal for small work groups of one to five people or for offices regularly printing low volumes of checks.
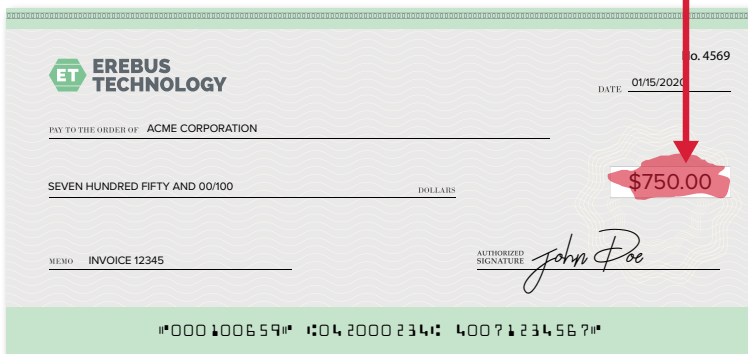

MICR Fonts
TROY MICR Fonts are available from TROY Support.

Efficient & Secure
Incorporate your logo, customer data, signature, and MICR line onto the checks at the point of print. Decrease theft and fraud risks commonly associated with preprinted stock by printing on blank check stock.
