

Free 2 to 24 months of free HP Instant Ink

You've purchased a product that includes 2, 3, 4, 6, 9, 12 or 24 free months of HP Instant Ink. HP Instant Ink is a printing plan that can be canceled monthly. Your printer automatically orders new cartridges at HP when it's running low on ink. During this period, you don't pay anything for your subscription and you get up to 300 extra pages per month. After the free months, you pay a monthly amount for the subscription, which you can cancel monthly. You can read what you should do to activate HP Instant Ink below.
