90 series business monitors

The new AOC 90 series monitors, equipped with advanced IPS panels with wide colour gamut are aimed at businesses and demanding prosumers.

Users will appreciate their sleek 3-sided frameless design for seamless multiple monitor set-ups. AOC's eye-protecting features reduce discomfort for users working long hours, and the monitors' high energy-efficiency helps to reduce costs and users' carbon footprint. Three of the new models are also equipped with an ergonomic and easily mountable stand.
