Re: Original Certification for Data Archiver with RFID @ 13.56 MHz, Model LB-DH81
FCC ID: ACJ-LB-DH81

To Whom It May Concern:

In accordance with FCC Public DA 04-1705, we request 45 day short-term confidentiality starting from the issuance of equipment authorization date, for the below indicated exhibits. These exhibits contain pre-market information, which could give our competitors unfair advantage should this information be released before this product is actually introduced into the common marketplace.

- External Photographs
- Internal Photographs
- Test Setup Photographs
- User Manual.

The above materials contain trade secrets and proprietary information not customarily released to the general public. Since this design is a basis from which future technological products will evolve, the public disclosure of these materials can be harmful to the Applicant by providing unfair advantage and benefits to its competitors.

Thank you for your attention to this matter.
