How to Redeem This Offer:

1. Purchase one of the Qualifying Products included on the list of eligible models at the right, between January 1, 2024, and December 31, 2024, and save your receipt.
2. Record the model and serial numbers of the existing wall oven or cooktop and the Qualifying Product. Make sure you photograph your old oven or cooktop (step 3) before uninstalling it to obtain the serial number.

Both photographs must show the existing and new ovens/cooktop installed, and both must show proof of dimension.
