Caution

- This power supply is only suitable for use with Information Technology Equipment
- Do not apply external force on any connected cable
- Do not unplug by pulling the cable
- Do not place the power cable or device near heating elements
- Do not bend the pins of the power cable
- If there are any strange sounds, smoke or odour, disconnect the power cable immediately
- Do not disassemble (it may cause fire or electric shock)
- Ensure to plug the cable firmly into the socket
- Do not use any cable that is damaged (it may cause fire or electric shock)
- If dirty, wipe the product with a soft dry cloth (do not use water as it may cause electric shock)
- Keep the power plug clean (dirt may cause a short circuit or fire)
- Keep the product out of reach of small children
- Don't unplug the power cable with wet hands (it may cause electric shock)
- If you do not intend to use the product for an extended period of time, unplug the power cable from the wall socket to avoid any chance of over heating or unwanted damage
