Re: FCC ID: 2AVRR-AGCS-AEC115

Applicant: Astronautics Corporation of America
Correspondence Number: 550773
731 Confirmation Number: TC355452
Date of Original E-Mail: 03/19/2023

Subject: Incomplete Section 2.911(d)(7) US agent incomplete

The US agent information is not complete. Please provide the following information in the US agent letter.

- Date of filing of the application with TCB
- Name of US agent
- Signature of both the applicant and US agent
- US agent FRN number
- Grantee Code

An example of an acceptable document format is:

[applicant name here] certifies that, as of the date of this filing of the application with the TCB, [name of US agent here] is our designated US agent for service of process for the above referenced FCC ID. [applicant name here] accepts to maintain an agent for no less than one year after the grantee has terminated all marketing and importation or the conclusion of any commission related proceeding involving equipment. [name of US agent here] accepts, as of the date of the filing of the application, the obligation of the designated US agent for service of process for the above reference FCC ID.

Signed by both the applicant and US agent (the date is current, and the address of the US agent is located in the US), and the US agent has a valid FRN.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal pursuant to Section 2.917(c).

DO NOT Reply to this email by using the Reply button. In order for your response to be processed expeditiously, you must upload your response via the Internet at <https://apps.fcc.gov/tcb>, TCB Login, Submit Correspondence. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
