HP EliteBook 725 G4 Notebook PC

Designed for the modern workforce, the cost-effective ultrathin HP EliteBook 725 helps drive performance with impressive productivity features that allow you to stay connected and collaborate at your best.

HP recommends Windows 10 Pro.

Elevated performance. Enhanced productivity.

- Unleash the full potential of your applications with 6th generation or new high-performance 7th generation AMD PRO APUs[2] with up to Radeon™ R7 integrated graphics.

Incredibly thin and impressively featured

- Stay portable without having to carry adapters. Connect via VGA, Display Port™, Ethernet, USB, USB-C™, and enterprise docking capabilities, all on an 18.9mm ultrathin and light design.

Security and management made simple

- HP Sure Start with Runtime Intrusion Detection[3] protects the PC and helps ensure uninterrupted productivity by automatically detecting and recovering from BIOS corruption or attacks. Manage the fleet with HP Touchpoint Manager[4] and DASH manageability[5].

Next-level collaboration

- Calls and media are loud and clear letting you collaborate effectively with expertly tuned Audio by Bang & Olufsen, HP Audio Boost, HP Noise Cancellation, and premium speakers.

- Power through your day with Windows 10 Pro[1] and the powerful, sleek, thin, light, and touch optional HP EliteBook 725.

- HP Sure Start with Runtime Intrusion Detection[3] monitors in-memory BIOS, recovers the platform without user or admin intervention, restores the BIOS to a custom state, and is enterprise ready for centralized management.

- Improve the quality and security of custom Windows images with HP Image Assistant which assists ITDMs with image creation, identifies problems, and provides recommendations and remediation.

- The HP Manageability Integration Kit[6] helps speed up image creation and management of hardware, BIOS, and security through Microsoft System Center Configuration Manager.

- Get up to 50% battery life in just 30 minutes of charging[7] with and HP fast charging battery.

- HP Audio Boost balances loudness and clarity, and enhances bass for improved speech quality.

- Suppress background noise including keyboard clicks with HP Noise Cancellation Software.

- HP WorkWise[8] is office intelligence rolled into one smartphone app.

Messaging Footnotes

[1] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. Seehttp://www.windows.com.

[2] AMD PRO A12 APU is an optional feature. Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed.

[3] Available on HP EliteBook products equipped with AMD 7th generation APUs

[4] HP Touchpoint Manager requires purchase of a subscription and supports Android™, iOS and Windows 7 or higher operating systems and PCs, notebooks, tablets and smartphones from various manufacturers. Not available in all countries see www.hp.com/touchpoint for availability information.

[5] Third party management software is sold separately. Dash certified and enterprise manageability qualified to work with MS SCCM and LANDesk.

[6] HP Manageability Integration Kit is planned to be available first quarter 2017 and can be downloaded from http://www8.hp.com/us/en/ads/clientmanagement/overview.html.

[7] Recharges your battery up to 50% within 30 minutes when the system is off or in standby mode. Power adapter with a minimum capacity of 65 watts is required. After charging has reached 50% capacity, charging speed will return to normal. Charging time may vary +/-10% due to System tolerance.

[8] HP WorkWise smartphone app will soon be available as a free download on the App Store and Google Play.

Technical Specifications Footnotes

[1] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com.

[2] Note: Some devices for academic use will automatically be updated to Windows 10 Pro Education with the Windows 10 Anniversary Update. Features vary; see https://aka.ms/ProEducation for Windows 10 Pro Education feature information.

[3] This system is preinstalled with Windows 7 Professional software and also comes with a license and media for Windows 10 Pro software. You may only use one version of the Windows software at a time. Switching between versions will require you to uninstall one version and install the other version. You must back up all data (files, photos, etc.) before uninstalling and installing operating systems to avoid loss of your data.

[4] Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed.

[5] Processor speed denotes maximum performance mode; processors will run at lower speeds in battery optimization mode.

[6] Improved system performance when memory is added in pairs (dual channel). Due to the non-industry standard nature of some third-party memory modules, we recommend HP branded memory to ensure compatibility. If you mix memory speeds, the system will perform at the lower memory speed.

[7] For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30GB of system disk is reserved for system recovery software.

[8] Sold separately or as an optional feature.

[9] Wireless access point and Internet service is required and is not included. Availability of public wireless access points limited.

[10] The term "10/100/1000" or "Gigabit" Ethernet indicates compatibility with IEEE standard 802.3ab for Gigabit Ethernet, and does not connote actual operating speed of 1 Gb/s. For high-speed transmission, connection to a Gigabit Ethernet server and network infrastructure is required.

[11] Cables are not included.

[12] Internet access required.

[13] Sold separately or as an optional feature.

[14] HD content required to view HD images.

[15] Availability may vary by country.

[16] HP Mobile Connect Pro is only available on preconfigured devices with WWAN. For geographic availability refer to www.hp.com/go/mobileconnect

[17] HP ePrint Driver requires an Internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see www.hp.com/go/eprintcenter).

[18] Skype is not offered in China.

[19] Not preinstalled, coming soon at http://www.hp.com/go/clientmanagement

[20] LANDESK Management subscription required.

[21] HP BIOSphere available only on business PCs with HP BIOS.

[22] Secure Erase for the methods outlined in the National Institute of Standards and Technology Special Publication 800-88.

[23] Absolute agent is shipped turned off, and will be activated when customers activate a purchased subscription. Subscriptions can be purchased for terms ranging multiple years. Service is limited, check with Absolute for availability outside the U.S. The Absolute Recovery Guarantee is a limited warranty. Certain conditions apply. For full details visit: http://www.absolute.com/company/legal/agreements/ computrace-agreement. Data Delete is an optional service provided by Absolute Software. If utilized, the Recovery Guarantee is null and void. In order to use the Data Delete service, customers must first sign a Pre-Authorization Agreement and either obtain a PIN or purchase one or more RSA SecurID tokens from Absolute Software.

[24] Opt in and internet connection required for updates.

[25] HP Care Packs are sold separately. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

[26] HP Sure Start with Runtime Intrusion Detection available on HP EliteBook products equipped with AMD® 7th generation processors.

[27] Windows 10 MM14 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See www.bapco.com for additional details.

[28] HP Workwise smartphone app will soon be available as a free download on the App Store and Google Play.
