Keynote Speaker:
Thomas Lee, M.D.

May 4, 2017 ♦ Birmingham, AL
7:00 am - 1:00 pm
(Registration and continental breakfast 6:00 - 7:00 am)

Sponsored by: University of South Alabama,
College of Medicine, Office of CME and the
Department of Orthopaedic Surgery

Ross Bridge

Statement of Need and Target Audience

The purpose of this conference is to update orthopaedists and other healthcare professionals with new information specifically involving topics regarding the foot and ankle. Topics for this activity were derived from the 2016 program evaluations and current research updates.

Course Objectives

At the conclusion of this activity, the participants should be able to:

- ◆ Utilize procedural and ambulatory care for the disorders of the foot and ankle.
- ◆ Recognize and incorporate therapeutic options for clinical problems of the foot and ankle.
- ◆ Apply new diagnostic and treatment modalities and technical knowledge in the treatment of children and adults with foot and ankle abnormalities, as well as the highly trained athlete.

Accreditation

The University of South Alabama College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation

The University of South Alabama College of Medicine designates this live activity for a maximum of 5 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only credit commensurate with the extent of their participation in the activity.

Meeting Registration

Fill out the registration form to the right and mail it along with your check to the address listed.

PLEASE NOTE: YOU MUST REGISTER FOR THE ALABAMA ORTHOPAEDIC SOCIETY MEETING SEPARATELY.

Hotel Reservations

See back of registration form.

Special Needs

The USA Department of Orthopaedic Surgery is committed to making its activities accessible to all individuals. If you are in need of an accommodation, please do not hesitate to call Tammy Whisenant at 251-665-8250 and/or submit a description of your needs in writing in order to receive service.

Disclaimer

The information provided at this CME activity is for continuing education purposes only and is not meant to substitute for the independent medical judgment of a healthcare provider relative to diagnostic and treatment options of a specific patient's medical condition.
