SUBJECT: FCC C2PC Application for (FCC ID: **A3LRF4450T-71A**)

To Whom it may concern:

This is to request a Class II permissive change to our product (FCC ID: A3LRF4450T-71A), This is to request for a reassessment of the originally certified equipment because additional operation mode have been made which affect the RF characteristics of the previously certified product. For this Class II permissive change, it enabled additional Multi-carrier operational via software without any hardware change.

- Add NR Multi-carrier operational up to 2CC on n71

This authorization is valid until further written notice from the applicant.
