## **Section 3: Supported Modules by Vehicle Make**

| FCA                                      |   |
|--|---|
| Accessory Power Module                   | Active Aerodynamic Module Left              |
| Active Aerodynamic Module Right          | Active Damping Control Module               |
| Active Noise Cancellation                | Active Vibration Cancellation               |
| Adaptive Cruise Control                  | Adaptive Front Lighting System              |
| Adjustable Pedal Module                  | Air Conditioning                            |
| Air Suspension Control Module            | Airbag Control Module                       |
| Airbag SRS                               | All-Wheel Drive                             |
| Amplifier                                | Anti-Lock Brake / Traction Control with ESP |
| Anti-Lock Brake Controller               | Anti-Lock Brake System                      |
| Anti-Lock Brake System OBD Compliant     | Anti-Theft Alarm                            |
| Audio Amplifier                          | Audio System                                |
| Audio System — Radio                     | Audio System Component — Amplifier          |
| Auto Headlamp Leveling Module            | Auto High Beam Module                       |
| Auto Leveling Headlamps                  | Auto Sway Bar System                        |
| Automatic Sway Bar System                | Automatic Temperature Controller            |
| Auxiliary Hybrid Control Processor       | Backup Assist                               |
| Battery Pack Control Module              | Blind Spot Module                           |
| Body Control / Central Gateway           | Body Control Module                         |
| Body Control integrated w Gateway Module | CD / DVD Player                             |
| CD Changer                               | Cabin Compartment Node                      |
| Cabin Heater                             | Central Locking Pump                        |
| Central Locking System                   | Central Telematics Module                   |
| Central Vision Processing Module         | Chassis Domain Control Module               |
| Climate Control                          | Climate Control — ATC                       |

| FCA                                   |                                       |
|---------------------------------------|---------------------------------------|
| Climate Control — ATC Dual-Zone       | Climate Control — ATC Single Zone     |
| Climate Control — ATC Tri-Zone        | Climate Control — Dual Zone ATC       |
| Climate Control — Dual-Zone           | Climate Control — MTC                 |
| Climate Control — MTC Single Zone     | Climate Control — MTC Tri-Zone        |
| Climate Control — Tri-Zone            | Climate Control System                |
| Collision Mitigation Module           | Comfort Rear Seat Module              |
| Comfort Seat Wheel Module             | Comfort Seat and Wheel Module         |
| Compass/Traveler Information System   | Connected Media Center Module         |
| Convergence Telematics Module         | Diesel Cabin Heater Assist Module     |
| Digital Video Disc Player             | Display Screen Module                 |
| Door Module Front Left                | Door Module Front Right               |
| Door Module Rear Left                 | Door Module Rear Right                |
| Dosing Control Unit                   | Drive Style Control Module            |
| Drive Train Control Module            | Driver Assistance System Module       |
| Driver Door Module                    | Driver Door Mux Module                |
| Driver Presence Detection Module      | Drivetrain Control Module             |
| Electric A/C Compressor               | Electric Air Conditioning             |
| Electric Parking Brake                | Electric Power Steering               |
| Electro-mechanical Instrument Cluster | Electronic Boost Gauge                |
| Electronic Brake Booster Module       | Electronic Limited Slip Differential  |
| Electronic Overhead Module            | Electronic Pedestrian Protection      |
| Electronic Shifter Module             | Electronic Stability Program          |
| Electronic Stability Program / BAS    | Electronic Steering Lock              |
| Electronic Vehicle Control Unit       | Electronic Vehicle Information Center |

# Appendix A: Revision History

## Revision D (October 21, 2021)

This revision added:

- Additional supported years for:
  - Hyundai
  - Kia
- Additional supported modules for:
  - GM
  - Honda
  - Hyundai
- Additional supported vehicles for Kia

## Revision C (May 14, 2021)

This revision added support for the following makes for model year 2021:

- Dodge
- Infiniti
- Jeep
- Lexus
- Mazda
- Nissan
- Ram
- Toyota

## Revision B (March 9, 2021)

This revision added Fiat Chrysler Automobiles vehicles and supported modules.

- Updated Section 2: Enhanced Diagnostic Support - Vehicle Coverage added:
  - Fiat
  - Alfa Romeo
  - RAM
  - Dodge
  - Chrysler
- Updated Section 3: Supported Modules by Vehicle Make
  - Added supported Fiat Chrysler Automobiles modules

## Revision A (August 26, 2020)

Initial release of this document
