LED LAMP
SPECIFICATIONS

Upgrade your lighting to Feit Electric's elegant Exposed White Filament LED Light Bulbs for a fresh, modern take on vintage bulbs. These first-of-their-kind bulbs take a traditional torpedo tip bulb encased in clear glass and add lower-profile white filaments. Unlike yellow filaments, these blend in while standing out, for a timeless look that complements any room. They give off a 5000K Daylight White glow ideal for craft rooms, bathrooms, kitchens, laundry rooms, and anywhere you desire invigorating light. These dimmable bulbs fit in any E12 Candelabra base such as chandeliers, wall sconces, coach lanterns, and more. With a 90+ CRI, they make colors appear more vivid and true-to-life. The BPCTC60950CAWFIL/2 emits 500 lumens while only using 5.5 Watts of power, up to 90.8% less energy than equivalent 60-watt incandescent bulbs. Create a stylish minimalistic feel that instantly livens up the décor of any home or commercial space.

Ideal For

Chandelier and Decorative Lighting

Benefits

- Exposed white filament blends modern and vintage aesthetic for maximum versatility
- High 90+ CRI bulbs bring out more natural skin tones and vibrant, true-to-life colors
- 500-lumen LED light lasts up to 15,000 hrs/13.6 years, with an annual energy cost of only $0.66 (based on 3hrs/day avg. use)
- Dimmable Daylight White 5000K light illuminates fine details with invigorating cool light
- Flicker-free, instant-on illumination at full brightness
