REF: Class II permissive change, pursuant to section 2.1043, for FCC ID: RJE190653

Dear Sir or Madam,

Pursuant to section 2.1043, *Monster, LLC hereby submit a request for class II permissive change to our iSport Wireless Superslim, model 190653, FCC ID: RJE190653.*

Description of the change:

The antenna has changed its placement, shape and length but with the same maximum antenna gain, the gain and type of antenna are provided in operation description.

Compliance / Responsibility statements:

-Test report according to Part 15C of original grant remains valid and applicable and they are representative of the compliance of this product once it is still with the same circuit, antenna type and antenna gain, however, change on the antenna placement, shape and length may result in difference spurious emission, so only the spurious emission has been retested to show compliance with Part 15C, more details are provided in operation description.

Sincerely,

Dave Tognotti
General Manager and Vice President of Operations
