

3 YEAR
 EXTENDED
 WARRANTY

CAMCORDER

Visit <https://panasonic.registria.com> to register your Panasonic product and qualify for your extended warranty. If your product was purchased NEW, from an authorized US dealer, you are qualified for your 3-Year Extended Warranty (valid for US models only, please see a list of approved dealers and model numbers in this document). You must complete a separate form for each individual model. If service is required on your product, the proof of purchase and serial photo will be checked by a Panasonic to confirm your warranty status.

To register, make sure you are prepared with:

PURCHASE RECEIPT: A scan or photo of your purchase receipt. Your receipt must show:

1. NAME of the dealer where you purchased

If your purchase was made through Amazon.com or another 3rd party marketplace, the SOLD BY dealer must either be Amazon.com or an AUTHORIZED dealer on following Authorized Dealer List. The SOLD BY dealer name MUST appear on receipt. Unauthorized dealer purchases will be rejected.

2. DATE of purchase

3. MODEL number purchased

4. PRICE

SERIAL # PHOTO: With your model number and serial number. Some labels do not have the serial number on the front—they may be on a separate section of the inside of the box. Serial number photos can be from the box or camcorder itself.
