Re: Request for withholding from public disclosure proprietary
information
submitted pursuant to an Application for Equipment
Authorization
FCC ID: E5M-LEDR400S-74

Gentlemen:

Your letter dated August 1, 2001, requests that the following information
submitted with the application for Equipment Authorization be withheld from
public disclosure:

Schematics, Theory of Operations, Bills of Materials and Block Diagram

This request is made under the provisions of Section 0.457(d) of the
Commission's Rules, and Section 552(b)(4) of the Freedom of Information Act.
These sections authorize withholding from public inspection materials which
would be privileged as a matter of law if retained by the person submitting
them, and materials which would not customarily be released to the public by
that person.

We accept your statement that the material for which confidentiality is
requested falls within the scope of Section 552(b)(4) as trade secrets.
Under the provisions of Section 0.457(d), the specified material will not be
routinely available for public inspection. If you have any questions
concerning this matter, please contact Stan Lyles at the address above.

Sincerely,

Kenneth R. Nichols
Chief, Laboratory Division
