SAMSUNG

Installing Your Range

A: Cabinet opening min 30"
B: Acceptable electrical outlet area

IMPORTANT: If your cabinets are over 36 1/4" high, you must install this range on a hard, heat resistant support that raises the surface of the range so that it is about even with the countertop.

* 30" minimum clearance between the top of the cooking surface and the bottom of an unprotected wood or metal cabinet; or 24" minimum when the bottom of the wood or metal cabinet is protected by not less than 1/4" of flame retardant millboard covered with not less than no.28 MSG sheet steel, 0.015" stainless steel, 0.024" aluminum, or 0.020" copper.

**15" minimum between the countertop and the adjacent cabinet bottom.

IMPORTANT: Consult with Installation Manual for detailed instructions before installing. All ranges must be installed with the Anti-Tip device that is included.

Power Source

240V/208V/60 Hz/40A

Electric Ceramic Cooktop

- Right Front: 9"/12" Dual Element, 3000 W

SAMSUNG ELECTRIC RANGE

LIMITED WARRANTY TO ORIGINAL PURCHASER WITH PROOF OF PURCHASE

This SAMSUNG brand product, as supplied and distributed by SAMSUNG ELECTRONICS AMERICA, INC. (SAMSUNG) and delivered new, in the original carton to the original consumer purchaser, is warranted by SAMSUNG against manufacturing defects in materials or workmanship for the limited warranty period, starting from the date of original purchase, of:

One (1) Year Parts and Labor

This limited warranty is valid only on products purchased and used in the United States that have been installed, operated, and maintained according to the instructions attached to or furnished with the product. To receive warranty service, the purchaser must contact SAMSUNG at the address or phone number provided below for problem determination and service procedures. Warranty service can only be performed by a SAMSUNG authorized service center. The original dated bill of sale must be presented upon request as proof of purchase to SAMSUNG or SAMSUNG's authorized service center to receive warranty service.

SAMSUNG will provide in-home service within the contiguous United States during the warranty period at no charge, subject to availability of SAMSUNG authorized servicers within the customer's geographic area. If in-home service is not available, SAMSUNG may elect, at its option, to provide transportation of the product to and from an authorized service center. If the product is located in an area where service by a SAMSUNG authorized servicer is not available, you may be responsible for a trip charge or required to bring the product to a SAMSUNG authorized service center for service.

To receive in-home service, product must be unobstructed and accessible to the service agent.

During the applicable warranty period, a product will be repaired, replaced, or the purchase price refunded, at the sole option of SAMSUNG. SAMSUNG may use new or reconditioned parts in repairing a product, or replace the product with a new or reconditioned product. Replacement parts and products are warranted for the remaining portion of the original product's warranty or ninety (90) days, whichever is longer. All replaced parts and products are the property of SAMSUNG and you must return them to SAMSUNG.

This limited warranty covers manufacturing defects in materials or workmanship encountered in normal household, noncommercial use of this product and shall not cover the following: damage that occurs in shipment, delivery, installation, and uses for which this product was not intended; damage caused by unauthorized modification or alteration of the product; product where the original factory serial numbers have been removed, defaced, changed in any way, or cannot be readily determined; cosmetic damage including scratches, dents, chips, and other damage to the product's finishes; damage caused by abuse, misuse, pest infestations, accident, fire, floods, or other acts of nature or God; damage caused by use of equipment, utilities, services, parts, supplies, accessories, applications, installations, repairs, external wiring or connectors not supplied or authorized by SAMSUNG; damage caused by incorrect electrical line current, voltage, fluctuations and surges; damage caused by failure to operate and maintain the product according to instructions; in-home instruction on how to use your product; and service to correct installation not in accordance with electrical or plumbing codes or correction of household electrical or plumbing (i.e., house wiring, fuses, or water inlet hoses). In addition, damage to the glass cooktop caused by (i) use of cleaners other than the recommended cleaners and pads or (ii) hardened spills of sugary materials or melted plastic that are not cleaned according to the directions in the use and care guide are not covered by this limited warranty.

The cost of repair or replacement under these excluded circumstances shall be the customer's responsibility.

Visits by an authorized servicer to explain product functions, maintenance or installation are not covered by this limited warranty. Please contact SAMSUNG at the number below for assistance with any of these issues.

1-Year Warranty

2-Year Extended Limited Warranty

Addendum to LIMITED WARRANTY TO ORIGINAL CONSUMER PURCHASER WITH PROOF OF PURCHASE

This is an addendum to the Limited Warranty to Original Consumer Purchaser with Proof of Purchase (“Limited Warranty”) for the Samsung Range models listed below (“Addendum”). A copy of your Limited Warranty is available at [samsung.com](https://www.samsung.com) on the product page for your model and in the user manual. Notwithstanding any terms in the Limited Warranty to the contrary, this Addendum modifies and supplements the Limited Warranty as follows: for ranges purchased between October 1, 2022 and September 30, 2023, the range is warranted by SAMSUNG against manufacturing defects in materials or workmanship for the limited warranty period of 2 years parts and labor. All other terms, conditions, and limitations in the Limited Warranty apply, including the limitation on implied warranties (where permitted by law). If there is a conflict between this Addendum and the Limited Warranty, the provisions of this Addendum will control and the Limited Warranty will be construed accordingly. Together this Addendum and the Limited Warranty contain the entire manufacturer’s warranty for your product.

Eligible Models Purchased Between October 1, 2022 and September 30, 2023:
