

LED LAMP

SPECIFICATIONS

The Feit Electric LAN15/4WY/BLK LED Lantern Light Fixture combines the latest in energy-saving LED technology with a traditional design that complements the exterior décor of any home. Using the switch on the fixture one can easily switch between 3 different white color temperatures to match the aesthetic of your outdoor space. Choose between a realistic flickering 1800k Flame, 2000K Amber Flame, or 2000K Solid Soft White using a regular wall switch or the switch located on the back of the fixture. The solid black housing and frosted glass attract attention even when the lantern is off, while the 300 lumens of light output keeps your doorways and porches safe and secure at night.

Ideal For

Outdoor Lighting
