New intelligent design

- Push the limits of performance with the redesigned thin and light chassis and a 14-inch diagonal 16:10 display. The PC is more aware of you and your surroundings with contextual intelligence to optimize performance in almost any environment.

Connect and collaborate seamlessly

- Move freely from your office to the conference room, or home office to the café with Wi-Fi 6E³ or optional 5G⁴ connectivity. Look and sound your best with a 5MP camera, a 940nm IR camera, and immersive audio software for voice clarity powered by HP Presence.⁵

Personalize your PC

- Optimize HP Presence⁵ audio and video to your surroundings and easily customize those settings in the myHP application.⁶ Maximize PC performance, comfort, and responsiveness with HP Context Aware.⁷
- HP Wolf Security for Business creates a hardware-enforced, always-on, resilient defense. From the BIOS to the browser, above, in, and below the OS, these constantly evolving solutions help protect your PC from modern threats.¹⁰
- Move around a little without losing viewers' attention during video calls with HP Auto Frame.⁸
- Backlight WDR includes quality dual image sensors, working together to balance the background and foreground lighting and contrast. Make sure you can clearly be seen without blurring out the background.⁸
- How you're seen over video calls is as important as how you sound. With low HP Lowlight Adjustment in your PC's camera, get vibrant clarity and make sure they never miss a visual cue, even in low lighting conditions.⁸
- HP Dynamic Voice Leveling automatically enhances microphone gain to optimize voice clarity within 3-meters of the PC. AI-based noise reduction 2.0 uses noise-filtering technology to enhance audio and video conferencing experience even while wearing a mask.⁸
- Lock your PC when you leave it and wake it when you approach with HP Auto Lock and Awake. An advanced proximity sensor detects your presence and triggers the camera and Windows Hello to confirm your identity and unlock your PC.⁹
- HP Context Aware provides AI based optimization to maximize performance when you're working at a table, comfort when you're working from your lap, and responsiveness when you're working on the go.⁶
- Enable hardware and software innovations from HP with the myHP Application. This single dashboard houses access to settings for conferencing, the programmable key, and more.
- This PC contains at least 30-percent post-consumer recycled plastic in the bezel, at least 50-percent post-consumer recycled plastic in the keycaps, and the outer box packaging is 100-percent sustainably sourced.^{11,12}
- When you're away from the office, this sleek, ultralight PC is ready every step of the way. With long battery life, you can plan your next move and close the deal.
- Help speed up demanding business applications with the latest Intel® processor.²
