RRP AUS \$0.00

## Product Details

### FEATURES

---

|                             |                          |                           |                                    |
|-----------------------------|--------------------------|---------------------------|------------------------------------|
| In-door dispenser (plumbed) | 4 Star Energy Efficiency | FreshSeal Crisper         | Manual humidity controlled crisper |
| Internal Automatic Icemaker | Fresh Drawers            | Multi-flow airflow system | Full Width Door Bins               |
| SpillSafe™ glass shelves    |                          |                           |                                    |

### BENEFITS

---

**Continuous chilled fresh water (plumbed)**  
 Keep everyone refreshed at any time of day or week with a filtered water dispenser built into the door.

**Outstanding 4-star energy rating**  
 Our 4-star energy rating means better efficiency and savings for your family. You can save up to \$225 in running costs over 10 years\*. \*Savings indicative based on average NSW 24.8c/kWH vs 3-star energy rating (see Energy Rating Calculator)

**Seal in the Freshness**  
 Our FreshSeal™ crispers are sealed and come with a humidity slide that you control. The seals assist in preventing moisture loss whilst the humidity slide assists in creating the right environment for keeping food fresher for longer.

**Ice when you need it most**  
 With the convenience of an automatic ice maker, we've got your ice needs covered. By continuously replenishing itself, you will always have ice available for your family or last-minute guests.

**A space for everything**  
 Maximise the organization in your fridge with the 2 NEW FreshDrawers. Located under the FreshSeal crispers, store your meat in one and deli items in the other, keeping your shelves clear and your food at your fingertips.

**A show stopper**  
 Make your new French door fridge the centrepiece of the kitchen. With a new sleek, flat door design and pocket handles for easy opening, you will be stopped in your tracks every time you see it.

Maximise the space, your way, and without compromise  
Our fridges allow you to decide how you want your fridge installed. Use the cabinet flush option to create a seamless flow with your kitchen cabinetry. Alternatively, lineup the fridge with the doors just outside the cabinet to maximise the space you have available. Either option does not compromise on your access to the fridge or freezer with wide door openings on both.

Freshness with multi-flow airflow  
The multifold airflow system maintains an even temperature throughout - keeping your food fresher for longer

---

A complete storage solution  
With 8 full width door bins, everything from small jars to tall bottles will have its own place.

Easy to clean  
Spills happen, but when they do, the world doesn't have to end. The Westinghouse SpillSafe™ glass shelves help with the mess by containing the spilt liquid to one shelf, so you have less to clean.

# Terms and Conditions

## IMPORTANT

This is a guide of product dimensions only. For complete installation instructions, refer to the manual provided with product.

## PRODUCT INFORMATION

The descriptors and illustrations in this publication apply to the specific products and models described as at the date of issue. Under our policy of continuous product development, product specifications may change without notice. Prospective purchasers should therefore check with their retailer to ensure this publication correctly describes the products that are being offered for sale. All information supplied is to be used for general reference purposes only and is on the understanding that Electrolux Home Products Pty Ltd (Australia) and Electrolux (NZ) Ltd (New Zealand) will not be liable for any loss, liability or damage of whatever kind arising as a result of reliance on such information. Colours of products illustrated are as close as printing limitations allow. Electrolux will at all times comply with its obligations pursuant to law including Trade Practices (Australian Consumer Law) Act and Regulations.

## WARRANTY

This warranty only applies to Appliances purchased and used in Australia or New Zealand and used in normal domestic applications and is in addition to (and does not exclude, restrict, or modify in any way) any non-excludable statutory warranties in Australia or New Zealand. All warranties are subject to the conditions set out in the warranty card accompanying the product when purchased.
