

# PSS93BP/YP

## GE Profile™ 30" Smart Slide-In Electric Convection Range

### FEATURES AND BENEFITS

Hot air frying – Integrated hot air frying technology gives you crispy results in your oven without using oil

Built-in WiFi – This smart oven features built-in WiFi so you can control oven functions with the SmartHQ app on your smart device

Fingerprint Resistant Stainless – A stainless finish that makes it easy to keep your appliances free of smudges and prints.

Fit Guarantee – This electric convection range will fit your existing 30" cut-out, or GE Appliances will help pay for modifications up to \$300

12"/9"/6" Power Boil element – A power boiler produces concentrated heat for rapid boiling in a flexible 12-inch/9-inch/6-inch burner size, so you spend less time waiting and more time cooking

Synchronized elements – Control two cooktop elements with a single button to create a bigger cooking surface for griddles

Touch controls – Glide touch controls let you control the cooktop with the swipe of a finger and are easy to clean thanks to seamless integration

Synchronized clocks and lights – Synchronize your oven and GE Appliances over-the-range microwave so that clocks are always matching and lights automatically come on when a burner is activated with Chef Connect

True European Convection with Precise Air – This oven features True European Convection, an advanced convection system that uses a third heating element and reversing fan for the highest level of heat and air circulation

Soft-close storage drawer – A full-width drawer closes silently and softly at a touch, and provides space for kitchen storage

Fast preheat – Preheat the oven quickly and cut down on preheat time with a speedy preheat feature

Steam clean – A steam cleaning option cleans the oven cavity in a 30-minute cycle with less odor and heat

Model PSS93BPTS – Black stainless

Model PSS93YPFS - Fingerprint Resistant Stainless Steel
