Betty,

UL has again submitted the \$940.00 check but this time only the 159 form was included. According to Fed Ex. This was delivered on the 19th and signed for by R. Valentine. DO you think it would be in my best interest to call Ms. Claudette Pride to make sure it got into the systme this time? Or have you received confirmation of the payment?

As you might guess this submittal has become quite urgent for us.

Thanks in advance.
