

Lenovo™ V510z All-in-One

IMPRESSIVELY POWERFUL, WITH A SLEEK BORDERLESS DESIGN

A powerful solution that's both productive and secure.

Lenovo™

Clean and stylish, with its space-saving borderless design, the Lenovo V510z is the AIO that keeps things simple – so your focus stays on business. You'll experience powerful productivity with the latest Intel 6th generation technology – and find it easy to manage thanks to its clever tool-less design. Always-on features keep everyone connected, whilst intelligent security keeps your data secure. Plus it's energy smart – so you save on costs too. Whatever you need to do, the Lenovo V510z AIO simply gets the job done.

WHY YOU SHOULD BUY THE LENOVO™ V510Z ALL-IN-ONE

I.T. Simplicity

A space-saving device with a sleek borderless 23" display, tool-less design and energy efficiency, guarantees this device is both easy to use and manage.

Productivity that Empowers

Delivering the latest Intel 6th generation processor. With dual SSD and HDD you'll experience almost a 35% improvement in boot-up time, 1TB of storage, and faster file loading times.

Adaptable & Connected

A range of stands and VESA compatibility means the V510z can adapt to your working style. While an integrated web cam and an array of ports will ensure you stay connected to colleagues and devices.

Keeping your business secure

Protect data with Smart USB Protection that protects important data from getting into the wrong hands.

THE LENOVO™ V510Z ALL-IN-ONE IS BEST SUITED FOR

1 Small and medium sized businesses looking for a sleek AIO that's easy to use and manage.

2 Small and medium sized businesses looking for a powerful device that offers that latest performance technology and large storage.

3 Small and medium sized businesses looking for a secure and rock-solid solution that will protect your data and provide a return on your investment.
